About Our Charity...

Age Concern Bracknell Forest is a local, independent charity dedicated to supporting older people and all ages across our community. We work to reduce loneliness, promote independence, and help residents live happier, healthier lives.

Everything we do is focused on making sure later life is something to enjoy, and community means something – and that nobody feels alone.

What We Do...

Thanks to the support of our community, we provide a range of services for older people in Bracknell Forest, including:

Outings and trips mixed with social activities to help reduce loneliness and isolation.

Practical support and advice to help people stay independent.

Community groups, events, weekend lunch clubs.

A dementia-friendly Day Centre for vulnerable older adults.

Buckler's Park Community Hub - a vibrant space for community and connection.

Thank You for Running With Purpose

Whether you're walking, jogging, running, or cheering from the sidelines, your involvement helps ensure people in our community are supported, valued, and never forgotten.

We're incredibly grateful for every step you take on our behalf.
